

UCSI Peterson Properties takes possession of 18 units shophouses

BY HARUN JAU

KUCHING: UCSI Peterson Properties has taken possession of the keys for 18 units of commercial shophouses at The Isthmus 'Raintree Square' from CMS Land Sdn Bhd.

Head of CMS Property Development Division, Vincent Kueh presented the symbolic key to UCSI's Project Director, Goh Tze Meng at the central atrium of Raintree Square here yesterday.

The presentation ceremony was witnessed by CMS Group Chief Executive Officer (Operations), Goh Chii Bing, staff of CMS and UCSI.

With the purchase of 18 units of the two blocks strata titled three-storey commercial shophouses at The Isthmus' Raintree Square, UCSI plans to expand their existing campus and to accommodate their growing number of curricular

activities.

"The expansion of UCSI into Raintree Square will create fantastic opportunities for complementary businesses such as food & beverage and other attractive retail outlets.

It also symbolises the growth of The Isthmus as Kuching's newest central business district, reflecting the growing confidence of investors in this year," said Vincent.

The Isthmus is evolving

into an exciting and dynamic development where one will see and experience an integrated development with a high-tech business centre, an education centre, a lifestyle food & beverage hub, a con-

vention centre, international hotels, retail malls and shopping outlets.

To cater to the growth of The Isthmus, potential shop-owners/investors are welcome to purchase units at Raintree

Square. Raintree Square three-storey commercial shops are strata titled and ready with Occupational Permit.

The purchase of the 18 units is approximately about RM18 million.
