

Enhancing Doctoral Supervision Practices For International Recognition

18 - 19 November 2024 | 10am - 4pm

Venue: Le Quadri Kuala Lumpur

APPLY BY
30 SEPTEMBER 2024

Overview

This workshop aims to equip participants with the skills to demonstrate that their supervision pedagogies are research-informed, up-to-date and grounded in best practices. Participants will be prepared to apply for international recognition of their supervisory practices through the UK Council of Graduate Education. Achieving this international recognition will elevate the professional standing and credentials of supervisors, advance their careers and enhance UCSI's global reputation.

Assoc Prof Dr Vijay Kumar
University of Otago, New Zealand

Programme Outline

- Global development in doctoral education
- Recruitment and selection of doctoral candidates
- Supervisory relationships with candidates
- Negotiating joint supervision
- Supporting candidates' research projects
